Declaration of iron and steel products - Council Regulation (EU) No 833/2014

I (We) hereby certify that all steel and iron products as listed in Annex XVII List of Iron and Steel of the Council Regulation (EU) No 833/2014 of 31 July 2014 and sold or otherwise provided by Time Fasteners do not originate and have not been exported from Russia. Likewise, they do not incorporate any steel and iron products as listed in the same Annex XVII List of Iron and Steel originating in Russia when having been processed in a third country.

I (We) am (are) able and will provide a mill test certificate (MTC) as evidence of the country of origin of the inputs for all products listed in Annex XVII List of Iron and Steel of the Council Regulation (EU) No 833/2014 of 31 July 2014 for Fasteners starting 30 September 2023.

I, the undersigned, as a duly authorized representative of the organization identified below, certify that the information provided in this document is true and accurate; and, that I (we) will notify in writing of any information that contradicts the above certifications immediately upon receipt of such information.
